

**DON'T WAIT. CALL YOUR
INSURANCE AGENT TODAY.**

More than 80 insurance companies sell preferred risk flood insurance from the National Flood Insurance Program. And they all sell it at the same low price. So call your insurance agent today—because flood insurance takes 30 days after purchase to go into effect.

**A SMALL INVESTMENT PROTECTS YOU
FROM A HUGE PROBLEM.**

Every year, thousands of businesses throughout the United States suffer from flooding. It can mean paying a huge, unexpected bill to recover from the damage—or the end of your livelihood for you and your employees.

But with a Preferred Risk Policy, businesses located outside of high-risk flood areas can get up and running again more quickly. And coverage starts at \$557 per year for \$50,000 building coverage and \$50,000 contents coverage. Or only \$152 annually for just contents coverage, if you lease your space.

Best of all, with new commercial rates for flood insurance now in effect, you can customize the coverage that's right for you.

And that can help keep your business in business.

PREFERRED RISK POLICY

Low-cost flood insurance.

**FLOODS HAPPEN.
SUDDENLY AND EVERYWHERE.**

**YOUR RISK COULD BE
GREATER THAN YOU THINK.**

It starts with a drop of water. And builds into a destructive flow that buckles walls and floors, wrecks costly equipment, ruins furniture and damages supplies. Unless you have flood insurance, you're then faced with only three choices: paying recovery costs out of your own pocket; taking out a loan, which puts additional debt on the business; or closing your doors and trying to start over.

Far too many businesses have to choose the third option. According to the Institute for Business and Home Safety, at least 25 percent of businesses forced to close by a disaster never reopen—mainly because they lack adequate insurance.

And general business insurance coverage won't protect you from floods. Only low-cost flood insurance can.
